DO YOU KNOW WHAT PEOPLE ARE SAYING ABOUT US?

"A big thank you to the Hebden Diary for the excellent job you both do. The nature of my work with babies & pregnancy means people don't stay with me for long - the Diary keeps every one up to date with times of classes etc. The friendly & efficient service given is very much appreciated"

### The Grinberg Method

GRINBERG is a powerful method, established in Europe and new to the UK. The practitioner works with the client to identify behavioural & emotional patterns & their physical symptoms. We use footwork & bodywork to help the client explore alternative ways of being, so they are absorbed on a mental & physical level.

Find out more at [www.grinbergmethod.com](http://www.grinbergmethod.com) or contact Caroline on 07968 731521
